

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The Power Memorial Academy Commencement Exercises Medal Awards

Do you remember the medal awards at the annual Commencement Exercises? While this is not a comprehensive history of the awards, it is a best effort attempt to provide information about the people the medals were named after.

At least as far back as 1951, medals recognizing student achievements and merit were awarded during the annual commencement ceremony. The 1951 yearbook suggests medals had been given out in prior years. That year the ten medals awarded were The General Excellence Award, the Apologetics Medal, the American History Medal, the Biology Medal, the Chemistry Medal, the English Medal, the French Medal, the Latin Medal, the Mathematics Medal and the Oration Medal. Senior Athletic Awards were made for Basketball, Track and Handball too.

By 1960, medals also included Physics, Spanish, Business Law, School Spirit, Journalism, Publications, Elocution and 2nd in Merit. 1962 saw the addition of a Debate medal and the introduction of the first medal named after a faculty member, The Brother Ryall Medal for Perfect Attendance, Punctuality and Deportment.

At some point after 1962 some medals were removed from the ceremony and others were named after figures connected to Power Memorial Academy's history. The 1968 commencement program is the first time that's seen but the practice may have started prior to that. The medals now honored not only the student and their achievement but also the person it was named after. From nine commencement programs available we know some medals were not awarded annually, some were renamed, and new medals were added from time to time. For example, the Albert L. Casseday Medal for Music was renamed the Gene Morra Medal for Music. That same year, the Albert L. Casseday Medal for Most Accomplished Musician was introduced. The West Side Association Youth Foundation Scholastic Scholarship was also known as the Victor E. Perley Award. The John P. Donohue Medal for Athletics was also known as the John P. Donohue Medal for the Scholar Athlete.

These pages list the medal awards found in available commencement programs. Using yearbooks, HOF bios and the internet, information about the individuals they were named after was added. These brief profiles are based on what was found.

If you have information to share about the history of Power Memorial Academy's Commencement Ceremony Medal Awards, please contact pmaTrack@yahoo.com.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

**The Rt. Reverend James W. Power
Medal for General Excellence**

The Right Reverend James W. Power
Power Memorial Academy's namesake

The students of Power Memorial Academy will ever cherish the memory of the founder of the All-Saints Parish, that noble priest, Right Reverend Monsignor James W. Power, through whose efforts the Irish Christian Brothers were, in 1906, introduced into the United States and whose memory is perpetuated in the name of the school.

James W. Power was born on December 21, 1849, in Newtown, County Waterford, Ireland. As a young man he attended Mount Melleray College.

He immigrated to New York in 1869, and was ordained December 21, 1872, from St. Joseph's Seminary in Troy, NY. His first assignment was to the Church of the Annunciation and then the Church of the Holy Cross, both in Manhattan. In October of 1879, while serving at St. Teresa's on Rutgers Street, he was asked to form a new parish, All Saints, in East Harlem. He would remain there until his death in 1926. After thirty years, Power had built his parish to almost ten thousand people. In addition to the church, the parish had a rectory and schools—primary, grammar, high and commercial schools, day nursery and settlement house, all of which were fully paid for and free from any encumbrances. Msgr. Power was described as "...a retiring man, brisk of manner, direct in address, but with a soul that was filled with gentleness and kindness and good-will to all."

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

**The Reverend Brother Eugene F. Ryall
Medal for Second in Merit**

Reverend Brother Eugene F. Ryall
Power Memorial Academy's First Principal
Served at Power for six years (1932 – 1937)

Born in County Cork, Ireland in 1881, Brother Ryall entered the Christian Brothers in 1897. He received his Bachelor of Arts degree from St. Mary's College in Halifax, Nova Scotia and earned his Master's degree from Fordham University. Brother Ryall was one of the original Christian Brothers to come to the United States, arriving in 1907. In his first U.S. assignment, Brother Ryall served on the faculty of the All-Saints parochial school for 24 years, including seven years as Principal. In 1931 Brother Ryall founded Power Memorial Academy and guided its destinies during its first six years of existence. In 1938 Brother founded Rice High School, serving there until 1953. In 1947 he celebrated his Golden Jubilee. From 1923 to 1945 he was consultor to the Provincial for his congregation. From 1940 to 1952 he was a trustee of Iona College, New Rochelle.

As one of the pioneers of the Congregation of Christian Brothers, tuition assistance grants bearing his name are funded annually by the orders Eastern American Province.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

**The Reverend Richard W. Burns
Medal for Religion**

Reverend Richard W. Burns
Chaplain at Power Memorial Academy
Served at Power for six years (1960 – 1965)

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The Edmund V. Burns Medal for Mathematics

Mr. Edmund V. Burns
Power Memorial Academy's Longest Tenured Teacher
Served at Power for thirty-three years (1945 – 1977)

After graduating from All Hallows Institute, Mr. Burns studied at Manhattan College and New York University where he earned degrees in Mathematics and Physical Education. He taught a variety of subjects with a primary focus on Mathematics. During his career he served as the Mathematics Department Chairman and Director of Physical Education. He coached Varsity and JV Basketball and Varsity and JV Baseball. Mr. Burns served as moderator for Intramural sports, the Alumni Club, Math Club, and the National Honor Society.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

**The Reverend Br. Lawrence A. Killelea
Medal for English**

Reverend Brother Lawrence A. Killelea
Power Memorial Academy's 6th Principal
Served at Power for seven years (1951, 1959-1964)

Br. Killelea was born on November 2, 1925 at New York Nursery & Child's Hospital located at 161 West 61st Street, the future home of Power Memorial Academy, graduated from Power Memorial in 1943, taught at Power in 1951 before returning to serve as the school's sixth principal from 1959 to 1964. He was a founding member of the Power Memorial Academy Alumni Association.

As a youth, he served as an altar boy and Boy Scout leader. He graduated from St. John Chrysostom Grammar School in 1940 and entered Power Memorial Academy. Brother graduated from Power in 1943. His first teaching assignment was at St. Cecilia's Grammar School in September 1945. He had assignments at Iona Grammar School, Cardinal Hayes High School, and Power Memorial Academy from 1950 through 1951. He returned to Power as Principal from 1958 to 1964. Other assignments as Principal were at Rice High School and Bergen Catholic. During his Sabbatical Year, he studied and traveled in Italy, France, Portugal, Spain, The Netherlands, Germany, and Luxemburg. He was Province Councilor from 2002 to 2003 and Assistant to the Province Leader and to the Christian Brother Institute Treasurer beginning in 2003. He retired in July 2011.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The Reverend Br. Stephen C. Murphy Medal for Business

Reverend Brother Stephen C. Murphy
Served at Power Memorial Academy for twelve years (1951-1962)

A distinguished educator, Brother Murphy graduated from St. Mary's Training College with Bachelor's and Master's Degrees.

Before coming to Power, Brother Murphy taught at St. Joseph's and St. James in Dublin, Ireland, St. Patrick's, St. Bonaventure, Mount Cashel, and Holy Cross in Newfoundland, and St. Louis College in British Columbia.

Noted for his friendly attitude and smile, most students had him for Religion, but he also taught Mathematics and Social Studies.

Brother Murphy was well known for his proficiency in math and his exactness making him the best choice to serve as bursar in charge of collecting tuition and School Treasurer.

In 1959, Brother celebrated his Golden Jubilee.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The Daniel M. Rood Medal for Modern Language

Mr. Daniel M. Rood

Second longest tenure of any teacher at Power Memorial Academy.

Served at Power for twenty-eight years (1944 – 1971)

Mr. Rood earned his bachelor's degree from NY State Teachers College in Albany. Before coming to Power, he taught at St. Cecilia's and Sacred Heart.

At Power he taught English, Spanish, French, Biology, World Geography, Typing, Introduction to Business, Algebra and General Science. He served as Director of Audio-Visual Aids, Moderator of the Science Club, School Secretary, Moderator of Bowling, and Alumni Chairman.

To the students at Power, Mr. Rood represented warmth, friendship, and the interest of the Academy in them. When he joined the staff in fall of 1943 the student body numbered seven hundred. He witnessed with great satisfaction the tremendous growth of the school. As Registrar, he organized school files, created a system of personal files, and pioneered many practices still operating when the school closed in 1984. He was an integral part of both the tears and smiles of Power fortunes through the years. For him, the football win over Mt. St. Michael's, the Knights of Columbus Championship, and the dedication by Cardinal Spellman of the Gold Star Gymnasium for which he worked so long and hard, the Alumni affairs he organized, all part of Power's glorious past were verdant memories. Other moments were tragic and sorrowful such as the horrible shooting of Tom Brady.

Mr. Rood accounted for his time at Power as a gratifying lifetime experience and the school was immeasurably enriched by his presence.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The Reverend Br. Thomas A. O'Hare Medal for History

Reverend Brother Thomas Aloysius O'Hare

I'm unable to find any record of Brother Thomas A. O'Hare in any Power Memorial Academy yearbook. The award in his name goes back at least as far as 1968.

In 1929 there was a seventh grade All Hallows student named Thomas A. O'Hare. In 1953 there was an Irish Christian Brother named Thomas A. O'Hare who taught history at Boys Central High School in Butte, MT. This same Brother A. O'Hare (with Bachelor of Science and Master of Arts degrees) taught history at Iona College in 1958.

The 1929 student and 1950's teacher may be the same person or two different people. The Brother Thomas A. O'Hare we are looking for may be a different person altogether. No connection with this person/these people and Power Memorial's Medal for History been established.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The Reverend Br. Richard B. Power Medal for Science

Reverend Brother Richard B. Power
Served at Power Memorial Academy for seven years (1941 – 1947)

Brother Power earned Bachelor of Science and Master of Science degrees at Fordham University. At Power Memorial, Brother was a teacher of Science, Religion, French and Latin. He also served as Varsity Basketball moderator, Varsity Baseball Coach, JV Baseball Coach, Varsity Baseball Moderator and ran the bookstore.

He coached Power Memorial Academy to back-to-back CHSAA Varsity Baseball Championships, winning city titles in 1943 and 1944.

After leaving Power Memorial, his ministry brought him to Iona College in New Rochelle. His happy combination of intellectual and athletic prowess earned him the two-fold distinction of Professor of Biology and Athletic Director. He later served as Chairman of the Biology Department at Iona.

It's not known all the places Brothers ministry brought him but Power Memorial alumni recall being taught Biology by him at Iona during the 1973 school year.

Whether in the classroom or on the athletic field Brother Power supplemented his talents with the "*sine qua non*" of a good teacher – an ever-ready sense of humor.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The Gene Morra Medal for Music

Mr. Gene Morra
Chief Musical Director & Instructor of Music Theory
Served at Power for seventeen years (1961-1977)

Egidio "Gene" Morra studied music under Dr. Percy J. Starnes, Professor of Music at Columbia University, receiving an honorary degree. In the 1930's Mr. Morra was a featured soloist for Victor's Symphonic Band in Asbury Park and Gotham's Symphonic Band. Other engagements included Giuseppe Creatore's New York State Symphonic Band and the Manhattan Concert Band under the direction of Anthony Giammatteo. During the 1946, 1947 and 1948 seasons, Mr. Morra was associated with the Charles Wagner Opera, the D'Oyly Carte Opera Company, and the Sigmund Romberg Orchestra, holding the position of first trombonist. He gained a seat on the NBC, Radio City and CBS symphonic orchestras, also appearing on the Jackie Gleason Show. From 1948 to 1958 Mr. Morra was the featured euphonium soloist with the Cities Service Band of America conducted by Paul Lavallo over the NBC radio network. A music writer, Mr. Morra was a member of ASCAP. Many of his compositions were published by Carl Fischer, Inc. His works included an arrangement of "Midnight in Moscow" and "La Boheme". He also wrote the music to the Power Memorial Academy Alma Mater song.

Significantly, Mr. Morra wrote an "Ave Maria", dedicated to the late Pope Pius XII for which he was bestowed with the Apostolic Blessing for himself and his family. Mr. Morra appeared as a guest soloist and conductor for various New York park concerts during the summer months in the late 1950's.

Mr. Morra had the unique ability to bring out the very best musical talent in each student. The most significant accomplishment he achieved at Power was the band playing an annual concert at Lincoln Center. It made Mr. Morra so happy when he saw the pride in the eyes of the parents of "his boys." Referring to those Lincoln Center Concerts, we must note Mr. Morra's original arrangement for the Power Memorial Academy Band of "Midnight in Moscow". It became his and the band's signature performance. In addition to the Lincoln Center Concerts, Mr. Morra and the Power Memorial Band were regular participants in the annual St. Patrick's Day Parade in New York City.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The Albert L. Casseday Medal for Most Accomplished Musician

Mr. Albert L. Casseday
Chief Musical Director & Instructor of Music Theory
Served at Power for thirteen years (1948-1960)

Mr. Albert Casseday was chief musical director and instructor in the theory of music for the Power Band. His affability, warmth, and keen mental powers of the subject radiated through Power during his tenure.

Before coming to Power Memorial, he had thirty years' experience with professional orchestras, teaching and conducting. He studied at Baylor University Institute of Musical Art, was an Institute of Musical Art of the Juilliard Foundation graduate, and no less a celebrity. Mr. Casseday was known as one of the best trombone players in the east playing in many Broadway hit shows.

For fifteen years he performed for major New York radio and recording firms and was employed in the Symphony Orchestra. During the early stages of WWII, he went on nationwide tours for three seasons, playing for soldiers across the country.

A Texan endowed with uncommon and irrepressible enthusiasm for rhythm and sound, Mr. Casseday left Power a rich legacy of cultural achievement and appreciation. A generation of Power students learned the rudiments of music and brought harmony from dissonance under his skilled tutelage. In them, Mr. Casseday has molded for himself "a monument more lasting than bronze" – a group of young men upon whom he has imprinted his hallmark of Christian gentlemanliness refinement and good humor. He directed them in superlative performances and made them realize perfection and acclaim came through the medium of hard work.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

**The John P. Donohue
Medal for the Scholar-Athlete**

Mr. John "Jack" Donohue
Teacher, Basketball Coach
Served at Power for seven years (1959-1965)

Coached Power Memorial Academy's Varsity basketball team to three consecutive CHSAA City Championships. Before arriving at Power, Donohue coached basketball at St. Nicholas of Tolentine. At Power, Donohue had a career win-loss record of 163-30, including winning 71 straight games with star center Lew Alcindor (later known as Kareem Abdul-Jabbar). Donohue's 1963-64 Power Memorial team was named "The High School Team of The Century". In addition to coaching Varsity Basketball at Power, Mr. Donohue served as chairman of the Physical Education, Director of Athletics, Director of Public Relations, JV Basketball coach, Varsity Baseball coach, while teaching Social Studies, Business Arithmetic, Physical Education and Health Education.

Donohue went on to work as the head coach at the College of the Holy Cross from 1965 to 1972. With Holy Cross, he compiled a record of 106-66. Donohue was also the head basketball coach of the senior men's Canadian national basketball team from 1972 to 1988. Donohue coached Canada at three Summer Olympic Games (1976, 1984 and 1988), highlighted by two fourth place finishes in 1976 and 1984. He also coached Canada at the 1974, 1978, 1982 and 1986 FIBA World Championships. With Canada, Donohue won the silver medal at the 1980 Tournament of the Americas. He also won bronze medals at the 1984 and 1988 editions of the Tournament of the Americas. He also led the Canadian national university team to the gold medal at the 1983 Summer Universiade and the bronze medal at the 1985 Summer Universiade.

Jack Donohue has been inducted into the Canadian Olympic HOF, Canadian Basketball HOF, Ontario Basketball HOF, New York State Basketball HOF, Canadian Disability HOF, Canada's Sports HOF, FIBA HOF and the CHSAA HOF.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The James A. Burns Medal for School Spirit

James A. Burns
Student, Gold Star Alumni

James Burns was a member of Power Memorial Academy's first graduating class in 1935.

He enlisted in the Air Corps on December 8, 1941, attaining the rank of 2nd Lieutenant. James was killed when a B24 Liberator Bomber, in which he was Navigator, crashed while on a mission to Dobodura, New Guinea.

James was the youngest brother of Mr. Edmund V. Burns, Power Memorial longest tenured teacher.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The Bausch and Lomb Science Medal

Bausch and Lomb Science Medal

The Bausch & Lomb Honorary Science Award is an annual award recognizing high school students for their outstanding academic achievement, intellectual promise in science and math, and positive contributions to the school and community. The award has been given out since 1933, and more than 400,000 medals have been awarded to date.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The John F. Kennedy Memorial Citizenship Award (Sach 's Stores)

The purpose of the John F. Kennedy Memorial Citizenship Award is to encourage student leaders to enter careers in government or other public service fields.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The Peter L. Waters Athletic Award from Manhattan College

Pete Waters molded the first great Manhattan College Track & Field teams, coaching from 1923-43. He led the Jaspers to 11 Metropolitan, three Mid-Atlantic and three IC4A Championships.

The coach was originally a football and baseball player with the Loughlin Lyceum in the Greenpoint section of Brooklyn. He would play in gridiron double-headers on Saturday and on the following day run a quarter mile in 49 seconds at Celtic Park. He was also a star sprinter for the old Irish American Athletic Club, and he represented the Thirteenth Regiment of the New York National Guard and the Star Athletic Club. Earlier, Mr. Waters had been in the advertising and newspaper business. He became coach of the Manhattan Prep, the Thirteenth Regiment and De La Salle Institute. From 1923 to 1943 he coached at Manhattan College. His teams won indoor championships of the Intercollegiate Association of Amateur Athletes of America in 1934, 1935, 1936, and 1939 and cross-country titles in 1932, 1938, and 1939. In 1935, 1936 and 1940 his teams won the Metropolitan outdoor championships. Later he coached at the New York Athletic Club where his squads won National Amateur Athletic Union crowns indoors in 1948, 1949, and 1950 and outdoors in 1946, 1947 and 1948.

In 1950 he became track & field coach of the Police Sports Association. William P. O'Brien, then Police Commissioner, was a former pupil of his, having run for him in the Loughlin Lyceum squad. After retiring from coaching, he continued to serve as an official and attended track & field events.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

The John F. Kennedy Award for Physical Fitness

The award, established during President John F. Kennedy's administration, recognized students who achieved high standards in physical fitness tests, highlighting his strong emphasis on youth health and activity levels across the nation.

POWER MEMORIAL ACADEMY

Commencement Exercises Medals

Generoso Pope Scholarship

Generoso Pope was an Italian-American businessman and the owner of a chain of Italian-language newspapers in major American cities. He lived at 1040 Fifth Avenue in Manhattan, the later home of Jacqueline Kennedy Onassis.

The St. Francis College athletics complex, which houses the colleges NCAA Division I teams is named after Generoso Pope. In addition, Pope Hall at Saint Peter's College in Jersey City, NJ was dedicated to Generoso in 1971. There is a dedication mural for Generoso Pope at Lawrence Hospital in Bronxville, New York. The Generoso Pope Foundation is located in Tuckahoe, New York.

Generoso was a conservative Democrat who ran the Columbus Day Parade. He was closely associated with Tammany Hall politics in New York. His Italian language newspapers played a vital role in securing the Italian vote for Franklin D. Roosevelt's Democratic tickets. With his presidential friendships, Generoso was able to make Columbus Day into a national holiday in 1934. He also founded the Columbus Day Parade in New York City, which is still the world's largest Columbus Day Parade.

After the 1950 Columbus Day Parade his son Generoso Pope, Jr., sent a letter to Power Memorial principal Bro. Hennessey that said "Your school contingent was truly impressive, and you may be sure it was admired by the Reviewing Officers as well as by thousands of people who witnessed the parade.

While there is no other certain connection to Power Memorial, Generoso Pope, Sr. did have a son named Anthony and coincidentally, in 1955, in his only year at the school, a "Tony Pope" attended Power and played on the Freshman basketball team.
