

# Turner and Stanley Tops Among Preps

Steve Turner of Glendale and Lang Stanley of Jefferson were named Track and Field Athletes-of-the-Year in the CIF and City, respectively, yesterday by the Helms Athletic Foundation's All-Southern California Board of Athletics.

Both choices were unanimous.

Turner, the most outstanding all-around performer in recent CIF annals, excelled in both hurdles and the broad jump and in his 220-yard stint on the relay team. He set a new national interscholastic 180-yard low hurdle mark of 18.9s. and boasted a mark of 14.1s., just a 10th of a second of the national record, in the 120 highs.

The Glendale High cinder sensation also came forth with the top prep broad jump in the West this season — 24ft. 6½ in.

Stanley, star of stars of the State championship Jefferson High team, chalked up a new national interscholastic 880 mark of 1m. 53.9s. in the State meet at Sacramento when he erased Ross Bush's 17-year-old record of 1m. 54.4s.

Glendale topped the CIF selections with five places, and Jefferson led the city with six. Here are all the Southern California track and field selections for 1950 with best marks:
