By WILLIAM J. MILLER
 The stage was set for a thrilling finish to the 45th edition of the Catholic High Schools Athletic Association indoor track championships yesterday when Power Memorial and Archbishop Molloy faced each other in the final event.

One point separated the schools with the team title hanging in the balance of the 880-yard relay.

The spectators were not disappointed. The quartets battled each other for all four legs with a driving finish by Greg Little, a sophomore, in the final 50 yards bringing Power home first by two feet over Molloy.

*... and welcome to that great group of
people - the Power Track Alumni
Br Bielen*

All records compiled by Bruce Geanotis. Thank you, Br. John Bielen, Mr. John Mulligan, Br. Thomas Smith, Mr. Jim McGarry, Br. Moffett and all others who coached and supported Power Track & Field athletes over the years. Information for the Power Memorial Academy "All-Time" Track & Field lists was gathered from "time-sheets" maintained by Br. Bielen and other coaches, Power yearbooks, the CHSAA Newsletter, New York State Scholastic Track & Field yearbooks, the History of the CHSAA Track & Field Championships, and reliable internet sources. Additional information and photo's provided by Tom Cullen, Ed Walsh, Andy Walsh, Chris Meuchner, Art McCarthy, Jim Gallagher, Joe Barbary and many others. While every effort was made to ensure accuracy and completeness it is certain the "all-time" lists are incomplete, particularly for years prior to 1967 and after 1977. My apologies if you went faster, further, or higher or may not be listed at all. I didn't see the timesheet. Last updated 09/11/2024.
